GUIDELINES

A production music cue sheet must be submitted before the production is broadcast, transmitted, distributed, shown, exhibited, sold, hired, or in any way exploited. A complete and accurate music cue sheet should accompany any application for a license. Failure to obtain a license, or the giving of incorrect information of any kind, is an infringement of copyright and entitles the owner to an interdict, damages and other relief, in terms of the provisions of the Copyright Act No. 98 of 1978, as amended. All rates on this document exclude VAT.

The rates in the accompanying schedules apply only to music contained in CAPASSO and PM-SA Production Music recordings. (If you require chart music, please contact CAPASSO directly for a separate license). Any usage of CAPASSO and PM-SA production music libraries, not expressly stated in these notes to the accompanying rate schedules, is prohibited and subject to special application. Productions, which have been altered in either sound or visual content including cut down versions, are considered to be separate productions and attract a separate license and fee. A separate license for each medium will always be issued unless otherwise stated (e.g. All Media rates).

The Audio Files, Compact Discs, DVD's or hard drives supplied remain the property of the Production Music owners/ representatives and they may not be sold or transferred to a third party under any circumstances.

Please contact CAPASSO directly if you have any questions regarding this use.

Audio productions for retail sale, streamed or available for download on a digital platform primarily for the commercial exploitation of the music are specifically excluded. They cannot be cleared under these rates. Please contact CAPASSO directly if you have any questions regarding this use. It should be strictly noted that only non-exclusive licenses are issued for the use of CAPASSO members' production music. CAPASSO reserves the right to request samples of any productions made and to make verification visits to ensure that our members' repertoire is being correctly licensed. CAPASSO and/or its members retain the right to take legal action including but not limited to the levying of additional fees as may be deemed appropriate from time to time for late license applications or none submission of cue sheets. CAPASSO's schedule of rates are reviewed annually. Refer to the Terms page for definitions and clarity on production music terms.
